Dear Parents/Guardians:

Please be aware, that you must have identification with you at all times when picking up your child from school or off the school bus at the bus stop. We often have substitute staff and bus drivers that may not know you. They are required to ask for identification.

It is our procedure, for the safety of all children, to request identification if needed, **no exceptions.**

Thank you for your prompt cooperation in this very important matter.

Respectfully,

Janine Rozycki
Principal
